what might have been

a bit of an alternate version of "what wasn't shown- the doofi) bold rudy_ italics penny_

As Millie (rudys mom) was coming up the stairs to tell her son that dinner was ready she heard her son's voice **Penny, I need to tell you something**. Now Millie usually wasn't one for snooping especially on Rudy, but these were special circumstances, because she knew what her son was going to tell his best friend. She had seen how Rudy acts around Penny, as well as how Penny acts around him. She was torn out of her thoughts when she heard her son start to speak again,**we've been friends for a while and over t ime I feel you have really become my best friend, at least girl friend, but lately I have find myself thinking about you more and more.** He lightly blushed at this, **I really like you Penny**. Penny stayed silent for a what felt like an eternity to Rudy "l l look if you don't feel the sa he was cut off when he felt two gentle arms wrap around him. _Rudy I like you too_. As the boy gently pulled out of the very loving embrace he noticed Penny was crying softly, he brought his lips right under her her eye kissed a tear away this only made Penny cry more. He gently kissed her head. _HEY_ **WHAT? WHAT DID I DO?! **she lightly giggled, _well you've already gotten in two kisses while I have_ none. She gently brought his lips up to hers and kisses him lightly as they slowly detached their lips they heard a knock at the door. dinners ready. Penny would you wanna stay? _Just let me call my mom. _Alright dear. Millie went back downstairs smiling to herself. **Well you heard her beautiful. **_charmer_, Penny replied. **No just honest.** Penny shook her head and kissed him once again _common handsome. _Rudy blushed a bit, _by the way thats two for two sweetie. With one last kiss they walked hand in hand down to the dinner table._
